Board of Directors  
The Corey Tindall Memorial Speech and Debate Fund, Inc.  
11464 Discovery Heights Circle  
Anchorage, AK 99515

Dear Board of Directors:

It is my honor to write this letter of support for The Corey Tindall Memorial Speech and Debate Fund, a 501 (c) (3) non-profit, which has been established to honor the memory of Corey Tindall, who was killed in a tragic plane crash in August of 2010, and who was an exemplary student at South Anchorage High School.

Corey was an honor roll student, and a passionate advocate for debate and speech contests. Her family, and the teachers and mentors at South Anchorage High School, have spoken of her passion for Speech and Debate. Her family has decided that this memorial fund, which will raise funds for the debate team to travel to competitions, as well as to present the MVP with an individual award/scholarship, will be the best testimonial to Corey's memory.

The Anchorage School District will work with South Anchorage High School and the Tindall family to give information to our high school counselors, Drama, Debate, and Forensics coaches, and our career resource advisors about this opportunity once it is established.

As Superintendent of the Anchorage School District, I strongly support The Corey Tindall Memorial Speech and Debate, Fund, Inc. If you have any questions for me, please do not hesitate to contact me at 742-4312.

Sincerely yours,

Carol Comeau  
Superintendent
